**INCELL PRICE CHANGE NOTIFICATION**

**Effective March 1, 2021**

Dear Valued Customer,

Since the beginning of the COVID-19 pandemic, our first priority has been to manufacture and keep our products in stock and to maintain reasonable pricing for our customers. We have done everything we can to keep costs down without compromising the high quality of our products. However, due to increased operating costs, implementation of new company-wide protections, supply disruptions, material shortages, extended lead times from vendors and raw material cost increases, INCELL will implement new pricing effective March 1st, 2021.

The new pricing applies to all new orders received on or after March 1st, 2021. Should you have any questions regarding the new prices, please contact us at (210) 877-0100 or toll-free to 1-800-364-1765 or by email at [info@incell.com](mailto:info@incell.com). As always, you may send your orders to [info@incell.com](mailto:info@incell.com) or by fax (210) 877-0200.

Thank you for being a valued customer of INCELL Corporation, LLC. We work hard every day to earn your business by providing quality products, service and value as a trusted partner.

We appreciate you and your business. We hope you stay safe and healthy!

Sincerely,
