INCELL PRICE CHANGE NOTIFICATION

Effective January 1, 2023

Dear Valued Customer,

INCELL's priority throughout the COVID-19 pandemic has been to keep our products in stock and to maintain reasonable pricing for our customers. We have done everything we can to keep costs down without compromising the high quality of our products. However, due to increased operating costs, material shortages and raw material cost increases, INCELL will implement new pricing to all orders received on or after January 1, 2023.

In addition, a \$75 International Processing Fee will be applied to all international orders due to the increasing time and resources required to process shipments through customs departments. This fee is not part of applicable duties, taxes and shipping fees.

Should you have any questions regarding the new prices, please contact us at (210) 877-0100 or by email at info@incell.com. As always, you may submit orders via email to info@incell.com or via fax, (210) 877-0200.

Thank you for being a valued customer of INCELL Corporation, LLC. We work hard every day to earn your business by providing quality products, service and value as a trusted partner.

Sincerely,

Mary Pat Moyer, PhD
Founder, CEO and Chief Science Officer
